Bidding Rules - 7.1 America Watermelon	×
Participant-Specific Initial Value:	Yes
Participant-specific initial values have been specified for this lot.	
Bid decrement (%):	1%
The minimum percentage a participant must lower his or her previous bid.	
Protect the lead bid with front buffer of:	1%
The front buffer limit creates an area ahead of the lead bid where the system does not allow competing participants to bid. In order to move into the lead, a competing participant must bid at least this percentage ahead of the leading bid.	
Protect the lead bid with back buffer of:	1%
The back buffer limit ensures that a competitor remains behind the leading bidder by the percentage specified.	
Can participants submit tie bids:	No tie bids
Tie bids are bids that have the same rank. If ties are not allowed, the system will prevent a participant from submitting a bid with the same rank as another participant. If a tied bid rank is specified, such as 3, tied bids are not allowed for first, second and third place.	
Ceiling Value:	\$260.0000 SGD

Participant will be aware of their current bid ranking.
